Please note: This catalog has been prepared with some colored images to show one repeat of the actual pattern in a setting of multiple repeats and/or rows (such as sashes, borders, etc.) This one repeat will not be differentiated if the catalog has been printed in all black. Please see web site for the colored images. The flying geese patterns in the November #1 Package have additional lines shown in the images for jump stitches and fabric guides, which will not be differentiated in all black printing. Patterns designated as "frames" do not include the center block, as shown in some images.

Flag Set #1 was designed and digitized by Tanya Del Togno Armanasco. Copyrighted by Tanya Del Togno Armanasco and One Song Needle Arts (2009). Patterns available individually and as a full set – see web site.
